MUTUAL MINISTRY**

Continue to evaluate the entire ministry at St. Paul's. We work together with the Pastors as a **TEAM** (*Together Everyone Accomplishes More!*) and communicate with Council.

**YEAR 2007 OBJECTIVES/GOALS:**

**Our Vision: Service to another in the name of Christ**

Finalize Pastors' Annual Goals – if any

Continue to assist Pastors with personal goals / performance / issues

Keep Church Council informed of conditions in the congregation

Create Pastoral salary, education, vacation recommendations for Council / Finance

Review any budget recommendations as they may relate to Pastors

Initiate “direction” if congregational issues arise

Our 2008 “focus” is:

Christ First!

What has Christ called us, as Mutual Ministry, to do at St. Paul's

Working together we can accomplish great things!
